THE POULTRY HOUSECLEANER A SENSIBLE ALTERNATIVE FOR SMART POULTRY GROWERS

Optional Nipple Washer

- Now You Can Wash Side Walls, Wire And Curtains And Much More In Just Minutes With Only Two Passes Down Each Side Of Your Poultry House. Four High Pressure Adjustable Nozzles Produce Up To 700 PSI For Exceptional Cleaning Results.
- Spray Approved Disinfectant-Insecticide On Floors With Only A Single Pass Through Your Poultry House. A Double Nozzle Ensures Uniform And Effective Coverage In Excess Of 40 Feet. You Can Reverse The Swivel Nozzle And Clean The Ceiling In Your Poultry House. It's Fast And Easy To Operate!
- A Retractable Reel With 50 Feet Of Durable, High Pressure Hose Along With An Adjustable Nozzle Gun Make It Ideal For Spraying In Corners And Ceilings.
- The Poultry Housecleaner Features A 500-Gallon Tank So You'll Always Enjoy An Adequate Water Supply Even Under Most Extreme Circumstances.
- Adjustable Trailer Hitch Easily Attaches For Towing.
